Mr. Editor: Dear Sir—When a soldier in the American Camp, la 1778, I, with snany others, (owing to great εxposure,) had a violent attack of disease of the lungs, by which was disbled from duty for a long time. Since that period, and recently, I have never been free from cough and a difficulty of breathing. Year after year I have expectorated over a gitt a day; often much more, and sometines mixed with blood. For months together, night after night I have had to sit or be bolstered up to obtain my breath.— The weak e-s and debility can ed by such constant expec brathon frequently brought me to a state bordering on death. It has been a matter of astonishment to my family and friends that I am here to write this to you. I have had alfill physicians to attend me, and every thing done that wathought likely to give me relief, without any beneficial effect. Last winter I had an ther very severe attack of Infammation of the Lungs, which I fully expected would be help. I then considered my case as past the aid of meditate when I was advised to use Jayne's Expectorant. I thus, with a stong hope that, as it had cured many of my id so, with a strong hope that, as it had cured many of my id so, with a stong hope that, as it had cured many of my equalitations of various diseases of the Lungs, it might at lest mitigate my sufferiogs. Need I say how gratified I fel? It has effectually cured me. As soon as I commenced alog it, I found it reached my case, and I began to breathe with more treedom. My expectoration became more easy and my cough entirely left me. I now feel as well as ever lidd in my life, and better than I have been for the last thy years. Now, sir, after suffering so long, and finding that such signal relief from Dr. Jayne's Expectoran, I tel anxious to inform my fellow-citizens where relief may be tead.

Commercialiand Money Matters.

There was a moderate amount of sales at the Brokers Board to-day. Mohawk improved 1. For Harlem 141 was offered, 19 asked, which is quite an improvement. In State Stocks the transactions were large, reaching nearly \$60,000. of which more than half were State Sevens, at 1014. State Sixes improved 1 per cent; Oh o Sixes 1.

For the picket there is a fair business doing in Fereign Exchange at former rates. The quantity of bills received from the South is not so large as was anticipated. We quote Sterling 64 a 64; France 5 40; on Amsterdam 324 381; on Hamburg 341 a 341; on Bremen 751 a 751.

There were considerable orders in the street to-day fo Alabama, and sales were made at 17. New-Orleans is at par. Treasury Notes are in demand at par. The Banks are taking them for investment. The amount offering is cuite

The following sales of Stocks were made at Boston yes terday: 40 shares Western Railroad, 502 a 53 per share; 5 Boston & Worcester Railroad, 113 adv.; 6 Neptune Insur ance Company, 301 a 502; 16 National Insurance Company 542; 14 Washington Insurance Company, 21 a S adv.; 68 Firemens' Insurance Company, 931; 19 State Bank, 541; 60; 5 North Bank, 79; 5 Mamilton Bank, 91; 5 Merchants Bank, 99; 5 Globe Bank, 95; 8 Traders' Bank, 73; 2 At lantic Bank, 58; 5 Tremont Bank, 843; 1 Boston Exchange \$306.

At Philadelphia, vesterday, a very moderate business wa done at the Brokers' Board, the sales indicating a further decline in the price of Pennsylvania Fives. The State Stocks of Tennessee, Kentucky and Ohio were also less in demand. Money is plenty and Banks discounting all good paper. Specie very abundant. The Philadelphia Banks wo and a quarter millions, much more than their circula. tion. Out-door rates for fair paper 6 a 9 per cent. The Charler of the Southwark Bank expires next year.

The Stocks of Pennsylvania, in various incorporation ordered to be sold by a law of the last session of the Legis lature, under certain conditions, were put up at the Exchange yesterday, without effecting the sale of a single dollar's worth. The Secretary of the commonwealth bid off a few parcels, but none were sold; and it is not believed that any of them will be, under the present law. The sale was adjourned to the 1st of March, with the implied understanding that the approaching Legislature would amend the present law. Another large sale is to be held at Harrisburg on Monday next, which probably will terminate in the same way. The Stocks were all limited by law to such a price as at 5 per cent, would pay the same dividend as was paid in 1341, which limitation prevented any sale.

A bill which had passed the House by decided majorities

to appoint Commissioners to investigate the affairs of the Bank of Tennessee, was rejected in the Senate by a strict party vote, the Locos opposing and the Whigs supporting it. At Louisville Eastern Exchange is abundant at I per cent. from Banks and per cent. out doors- The Banks are furnishing small amounts of Exchange on the South.

The Bank of Delaware has declared a dividend of si per cent. for the last six months.

Markets-Carefully reported for The Tribune.

THURSDAY, No.v 24. ASHES-The market is, as quoted yesterday, quite un settled; there is a fair demand for Pots for export at 5 25 out there are not many to be found at that rate. The sale o-day have been some 75 to 80 bbls., some at 525 and some at 5 371. The nominal price for Pearls is 5 871, but they are very difficult of sale, buyers demanding a concession and some 20 to 30 bbls- have been sold to day, some of them at a decline on that price. The bills out to-day are 400 bbls., and the receipts about 300 of both descriptions.

COTTON-The market is not very active, and although rather in favor of the buyer, there is no marked decline Holders are auxious to realize, the market at the South be ing heavy and tending downwards.

FLOUR-There is rather more Flour affoat to-day, the eccipts having been moderately large. There is also rather more demand, but the operations, in consequence of the firmness of the market, are limited. Some of the East ern buyers have left and others will not buy at present ates. We notice farther sales 1000 bushels Illinois at a shade above 89 cent-A very prime lot is beld at \$1. Corn, in consequence the absence of Eastern demand, continues heavy, with an necreasing stock. CIRCUIT COURT .- Henry Bridgood and others . Tryon, Derby & Co .- A number of claims against defendants, amounting, in all, to about \$700, were sent out from England. The accounts were made out in pounds sterling, and the plaintiffs demanded payment at the rate of \$4 85 per £, agreeably the law of 1834, but the defendants refused to pay more than the old standard, which was \$1 44 on the £ sterling. COUNTY COURT .- The trial of Justice Parker was continued. Mr. Voorhies, counsellor at law, stated that be had made application for discharges (4 in the last year) and sometimes filled up the blanks, but had not applied during the month of April, nor could he identify the fillings up of the 70 shown. Justice Matsell was then sworn. He had a faint recollection of Ruckles coming with a list to the Police office, as testified by Mr. Osborne. Was not aware of combination to discharge prisoners for the purpose of voting. Had been on the island, for health, about every day previous to the spring election; 5,000 or 6,000 vagrams had been committed by the various magistrates since the witness's going into office in the year 1841. Saw the affidavits in the Tribune of fraudulent voters being broughdown. Had no hand in discharging for illegal voting .-Kept no record of any kind why vagrants were discharged A man named Seymour Hill testified to having been a vagrant on the island, discharged the day before the election, and voted in the Eighth Ward. Mr. Taylor, (late Justice of the Upper Police) was recalled, and again examined as to discharges. Alderman Stewart (late Commissioner of the Alms House) said Justice Stevens was in error when he remarked that witness told him he wished applications to go from the keepers direct to the Police-he told him that e wished applications to the Commissioners to come through the Commissioners instead of directly from the prisoners.

The counsel on both sides rested. The spectators wer then directed to retire, and the Court, after determining i relation to the summing up, (whether one or two counsel on a side should address it,) adjourned to Thursday next at

Fall Style of Gentlemen's Hats-BIRD LAWYERS' DIARY .- This Day, November 25 .- corner of Pine and Nassan-streets, has now ready for in

vious Intimation, a FINE FUR HAT at a price (83 25) which shall render it emphatically the cheapest as well as lowest priced Gentlemen's Fur Hat ever on sale in this city. It is prepared in the same style which characterizes our finest article, and like that article is offered at a price a which it cannot be continued without an unusually rapid sale. The undersigned with all confidence affirms it to be for the gentleman and economist the most desirable Fur Hat yet offered. (020tf) SPENCER, 245 Broadway.

IT An Elegant Hat for \$2 62 1-2 Cents-PARKER & Co. are continually receiving from their Manufactory fresh supplies of the ELEGANT MOLESKIN DRESS HAT, in imitation of the FRENCH, which they are selling at the above astonishing low price. P. & Co. by a system of business peculiar to themselves are enabled to offer the community Hats of fine materials, superior workmanship and of a perfectly fashionable character at prices far below what has ever been attempted by any other house in America engaged in the sale of GENTLEMEN's HATS. Sales Room corner Centre st. and City Hall Place.

D' Orlando Fish, Fashionable Hatter, 137 Broad way, would inform the gentlemen of New-York that his Fall and Winter style of Hats is now ready for their inspection and critical judgement. Claiming the distinction of having been the first to project and abide by a strictly AMERICAN style of Hats, instead of servilely copying the Fashions of Europe, which are often unsuited to our climate and manners, he rejoices to perceive that others have seen fit to follow his lead, and that now the following of European Fashions in Hats is almost entirely abandoned by the leading manufacturers.

He offers a Winter style of Gentlemen's Nutria Hats at \$3 50, and warrants them equal in material, finish, fashion and durability to any Hat sold as low as \$4 in the city. But he wishes It distinctly understood that his best Hats are not sold at this price, but at \$4 50. These he recommends as equal to any hat sold in New-York at \$5 or under, and challenges for them a comparison with any other.

Gentlemen visiting our city are respectfully invited to call and examine his new stock of Winter hats and judge of their quality. He is confident that, whether the chapest or the best Hat is desired, the inquirer will here be satisfied.

This is the most complete edition; it contains the whole of the Poetry comprised in the edition lately edited by Cunningham, as well as some additional pieces; and such notes have been added as are calculated to illustrate the manne

Morality never found to genius a more devoted advocate than Cowper, nor has moral wisdom, in its plain and severe precepts, heen ever more successfully combined with the elicate spirit of Poetry, than in his works.
